PROFIT WARNING

This announcement is made by Ahsay Backup Software Development Company Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the three months ended 31 March 2016, the Group is expected to record a consolidated net loss for the three months ended 31 March 2016 as compared to a consolidated net profit for the three months ended 31 March 2015. The net loss of the Group was mainly due to (1) a decrease in revenue from the Ahsay™ Backup Software following its latest release in December 2015. Based on the Company’s experience, certain customers are evaluating the functional advantages of that release and thus defer making their purchase or paying for software upgrades and maintenance services fee; (2) an increase in staff costs and related expenses; and (3) no profit was generated from discontinued operation for the three months ended 31 March 2016.

The information contained in this announcement is only based on a preliminary review by the Board on the unaudited consolidated management accounts of the Group for the three months ended 31 March 2016 and other information currently available to the Board, which have not been reviewed or audited by the audit committee and auditors of the Company, and is subject to possible adjustments upon further review. Details of the financial information and performance of the Group for the three months ended 31 March 2016 will be disclosed in the first quarterly results announcement of the Company for the three months ended 31 March 2016, which is scheduled to be published on 10 May 2016.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
